Employees

55,000+
Customers Served

ACCELERATED DELIVERY MODEL

Wurkwel successfully helps large companies, as well as startups, achieve their desired look and feel as our proven ACCELERATED DELIVERY MODEL ensures office transition projects are on-budget and on-time.

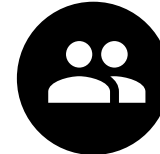

INDUSTRY BEST DISCOUNTING

Due to our nationwide presence across five locations, we have earned the best discounting in each of our markets on our top strategically aligned brands. This allows us to pass the savings on to our customer.

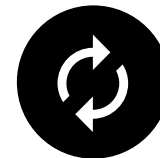

DAY 2, YEAR 2, FOREVER SERVICE

Our approach to Day 2 services extend far beyond a day, a week, or a year. Our follow up services are ongoing and forever. Upon completion of each project, we roll out the red carpet and provide a hands-on orientation for use of task chairs, sit/stand desks and ergonomic office accessories.

PROJECTS TEAM

Our projects team consisting of Furniture Specialists, Designers and Project Managers maintain deep product knowledge and a teamwork landscape allowing for a more consultative and customized approach.

VERTICALLY INTEGRATED

Rightsize, OFC and MAC are a group that all produce unique products and services, and when combined significantly help cost, quantity and inventory.

wurkwel

Tech Driven

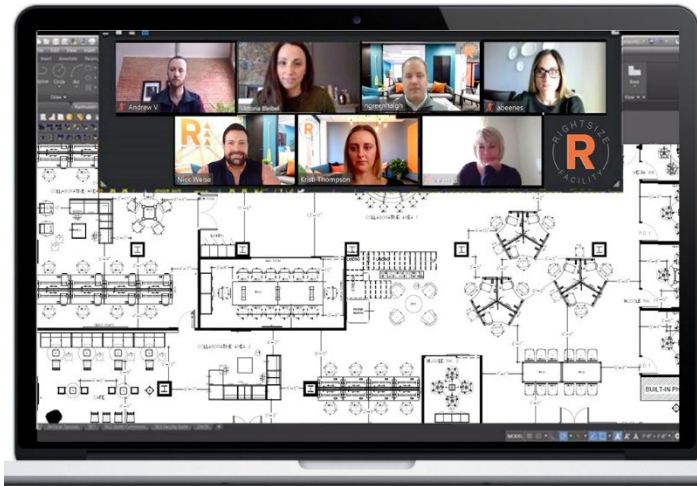

E-COMMERCE

Office Furniture Center runs on an e-commerce site. You can view all available inventory online anytime at OfficeFurnitureCenter.com.

VIRTUAL COLLABORATION PLATFORM

With the innovative CoCreate platform, we streamline the back and forth space planning process to minimize time invested and maximize return. At the end of a single session, we provide a workable floorplan for your project, created collaboratively through an intuitive software interface.

VISIONFX 2.0

VisionFX 2.0, a cutting-edge 3-D technology that provides an immersive, 360-degree experience into what a new office environment will look like upon completion.

ASSET MANAGEMENT

In conjunction with our commercial storage business, our cloud based, inventory and warehouse management system tracks assets.

Furniture Bank

Wurkwel's Furniture Bank Program allows people to bring back gently used furniture to be resold, reducing the amount of waste that goes to landfills while giving our customers store credit to use toward product or services at any one of our Wurkwel companies.

Increase product lifecycle

Save money

Resources for Healthcare Heroes

HOW IT WORKS

Our team has selected manufacturers with the lead time, price point and specifications to meet and exceed the standards of today's healthcare market needs. Our offerings include all aspects needed within the current healthcare environment—from room dividers, beds, and seating, to signage and protective barriers

HEALTHCARE

We are proud to offer a collection of highly qualified furniture, fixtures and equipment focused on fulfilling the growing need for Patient Rooms and Field Hospitals.

We installed patient beds at the McCormick Field Hospital and Mayor Lightfoot's office within the facility

wurkwel

WFH Voucher Program

WFH VOUCHER PROGRAM

We will work with your employees to customize options that provide the optimal environment for healthy, productive working from home until their eventual safe return to your office.

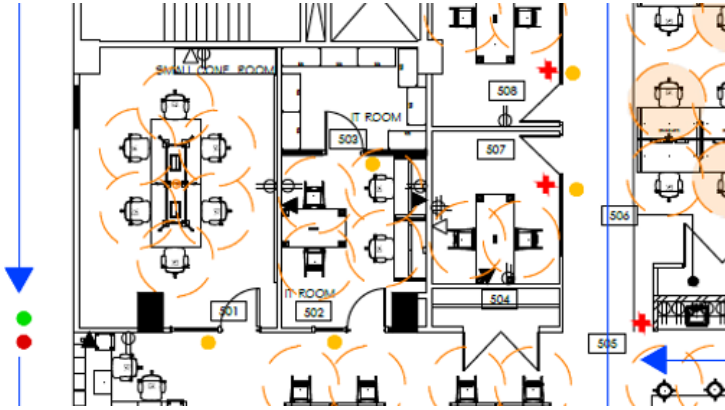

HOW IT WORKS

- ✓ Contact Rightsize Facility at voucher@rightsizefacility.com
- ✓ Buy a block of employee vouchers—minimum of 25 vouchers
- ✓ Your employee will contact us directly to receive a tailored WFH solution that will meet their functionality and aesthetic goals within the realm of your predetermined budget
- ✓ Furniture is delivered straight to your employees' doors

**Quick, affordable, custom furniture solutions,
delivered to employees' doors!**

Reshaping Your Workplace

REDESIGN. RETROFIT. RECONFIGURE.

Now is the time to start planning your office optimizations—this includes office retrofits, labor to reconfigure, installation of new protective product, and focus on employee health and wellness.

HOW IT WORKS

Show us your space

Send us a floorplan of your office space.

Collaborate with us

Share your concerns, goals and learn about industry best practices from our workplace experts virtually.

Receive complimentary floorplan redesign

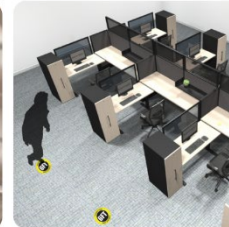

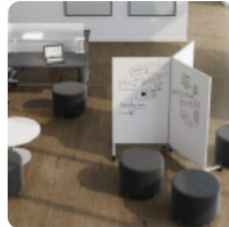

Our workplace experts will create a custom design recommendation package that will address your areas of concern and incorporate new protective measures.

wurkwel

Redesign

Retrofit

Reconfigure

Plan

Technology-enabled remote space planning, programming and reshaping of our clients' workspaces locally and across the country. Our consultative planning process is both immediate and ongoing as we partner with our clients to adapt to an ever-changing workplace.

Furnish

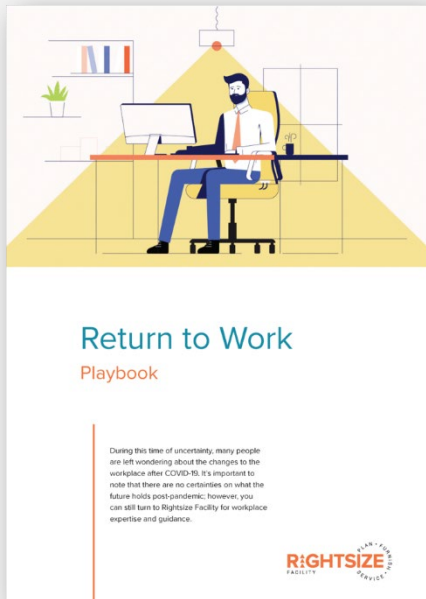

Incorporating innovative and purposeful furnishings and accessories from our 200+ lines of furniture such as panels, dividers, flexible & mobile screens, partitions and informational signage.

Service

Disassembly and reconfiguration of existing spaces to provide proper distancing and safe travel. Installation of new furnishings and accessories. Removing excess workstations, relocating departments and decommissioning of vacated spaces

Return to Work

Immediate Planning

Before and After Workstations

Before

After—Inspiration 1

1. Removed middle station and replaced with freestanding screen
2. Replaced center upholstered spine screens with higher cleanable glass screens
3. Added acrylic territory screens to the outer side of each station
4. Changed orientation of box/files to opposite side so that people are not sitting directly across from each other

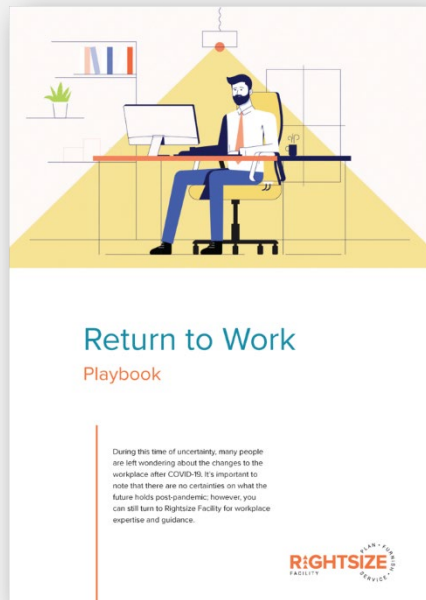

After—Inspiration 2

1. Turned workstations so that they are not facing each other (if room allows)
2. Replaced center upholstered spine screens w/ higher whiteboard screens
3. Added side-mounted screens to front of each workstation with cleanable vinyl upholstery
4. Added whiteboard territory screens to the outer side of each station
5. Added freestanding screens to back stations if the benching pack is not placed against a wall

Return to Work

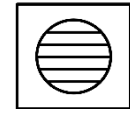

Short Term Changes

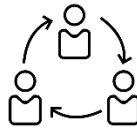

Touch free sanitization,
easy access to disinfectant
wipes and masks

Frequent sterilization and
cleaning of spaces (at least
daily)

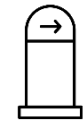

HVAC optimization and
filtering

Phasing of return to work,
shift staggering and
distancing

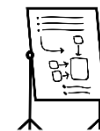

Use of remote work for
some and improved virtual
meeting technology

Informational/Directional
signage throughout public
and private spaces

Temperature stations and
screening of employees
upon arrival

Implementation of
workstation screens, space
dividers and biophilia

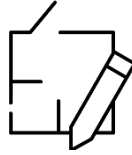

Reconfiguration of furniture
to separate and re-align

wurkwel

Return to Work

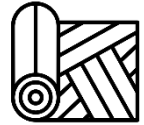

Long Term Changes

Complete office remodels
and architectural design
based on distancing

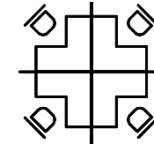

Installation and use of
lighting that kills bacteria

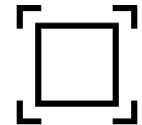

Shift in finish standards for
FF&E to include solid
surfaces, bleach-cleanable
fabrics, antimicrobial wall
finishes and non-porous
materials

Widespread implementation
of motion sensors, touch
free fixtures, auto-open
doors and new
technological innovations

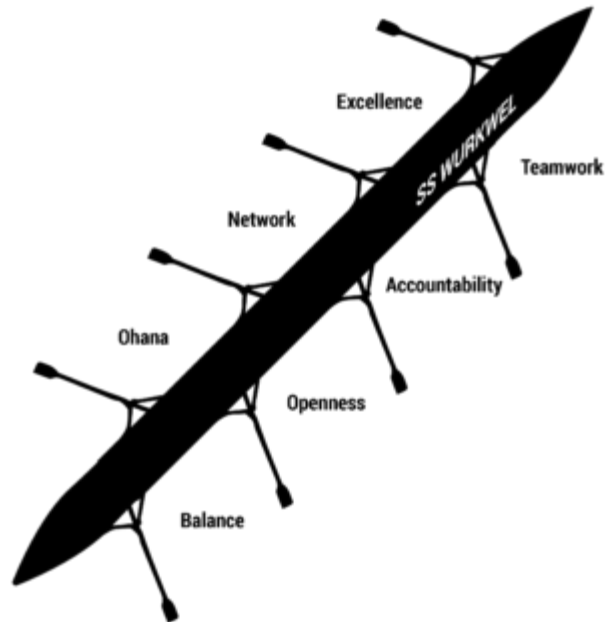

Possible scaling back of
open workspace and free
address in favor of
dedicated workstations and
the return of the cubicle
and private office

Increase the space allotted
per individual from 150sf to
225-250sf

Corporate Values

Wurkwel's Corporate Values embody who we are and how we think and live our lives both personally and professionally.
